

Young Scientist Travel Award

Conference on Water Observation and Information System for decision Support, BALWOIS 2010

25 - 29 May 2010
Ohrid, Republic of Macedonia
<http://www.balwois.com/2010>

The European Meteorological Society invites applications for a Young Scientist Travel Award (YSTA) to support the participation of young scientists at the Conference on Water Observation and Information System for decision Support, 25 - 29 May 2010, Ohrid, Republic of Macedonia. The award includes financial support for travel expenditures of 500€.

Eligibility

Young scientists under 35 years of age on the first of January 2010, working and/or studying in a European country are eligible for an award. All countries with an EMS Member Society or included in the WMO RA VI region are considered as European. For an overview of EMS Member Societies please consult the EMS Internetsite at:
www.emetsoc.org/about_ems/member_societies.php.

Application procedure:

To apply the following documents are required:

- (i) a short curriculum vitae,
- (ii) the abstract submitted to BALWOIS 2010,
- (iii) a breakdown of contributions from other sources to the expenses,
- (iv) a document to determine the age of the candidate, and
- (v) a supporting statement (e.g. by an EMS Member Society or an EMS Associate Member).

Please submit any application to

awardapplication@emetsoc.org

no later than **11 April 2010**.

All documents except the document to determine the age must be provided in pdf-format.

A certificate will be presented to the selected awardee during the BALWOIS 2010. The awardee is expected to provide a report of the conference for publication at emetsoc.org.
